

Job Specification

Job Title: Senior .Net Developer
Type: Full time
Location: City of London
Salary: £40,000-£50,000
Date: 28th January 2015

Overview:

EinTech is considered a vital business partner by many of its clients in the education and professional accountancy industries. This software solutions company is looking to recruit a Developer at its London City office.

The ideal candidate will hold a deep knowledge of Microsoft technologies: VB.Net, MVC, Web API, and SQL Server combined with experience in implementing enterprise scale web applications and services in both business-critical and client-facing environments.

Responsibilities include:

- Researching, designing, writing and testing new software programs
- Maintenance, debugging and problem solving of existing .NET applications.
- Liaising with clients and discussing future development projects
- Investigating new technologies
- Creating technical specifications and test plans
- Mentoring and supporting junior members of the team

Person specification (essential)

- Proven experience of developing Windows based client/server or distributed software solutions to consistent quality standards
- Experienced in ASP.NET/AJAX/Web services/API
- Good knowledge of 'front end' web technologies - HTML/CSS, Responsive, JavaScript
- Experience with Visual Studio 2013
- Experience with package repository such as NuGet
- Excellent interpersonal and problem solving skills
- Experience of creating technical specifications and test plans
- Well organised and determined to deliver a quality solution
- Excellent verbal and written communication skills

Person specification (desirable)

- VB.Net
- SQL Server/stored procedures
- Microsoft Azure

How to apply

Send your application and CV to jobs@eintech.com

ALL APPLICANTS MUST BE ELIGIBLE TO WORK IN THE UK. NO AGENCIES PLEASE.

Due to the high volume of applications we receive we are regretfully unable to respond to every application individually. If you do not hear from us within 2 weeks we will not be progressing with your application. We would like to take this opportunity to thank you for your interest in this role.
